Notes: The illustration shown above is from the summary Financial Model included in the Offering Memorandum. The Financial Model illustrates the cashflows based on throughputs included in the Baseline Supply Forecast (including the non-MVC throughput) as agreed in the Pipelines Use and Operation Agreement, and is not a forecast or prediction. The Financial Model is based on certain assumptions with respect to ADNOC's performance, the Baseline Supply Forecast, certain limited costs of AssetCo, financing structure and costs, and the timing of dividend distributions by AssetCo to its Shareholders. Charts and model outputs in this presentation are for indicative purposes only, and Investors should carefully review the summary of the Financial Model included in the Offering Memorandum; 1. 5 years minimum term. In order to ensure a continuous term, the Issuer will seek a renewal annually to maintain a 5 year commitment. Additional detail included in the Offering Memorandum.
